Alcohol	13.5%
Best Consumed	2008 - 2011

WINEMAKING / VITICULTURE

This wine was crafted from 100 percent Verdelho grapes, sourced primarily from our vineyards in the Murray Darling region, located within South Eastern Australia. Grapes were picked and crushed during the cool of night so as to retain their fresh, varietal flavours.

HARVEST NOTES

The growing season in 2008 started very well with a cool spring and good rains vital during the growing season. Harvesting began a little earlier than usual, nevertheless small berry sizes and lighter bunch weights complimented by high sugar levels produced ripe, rich and intense flavours in the berries.

WINE DESCRIPTION

This wine is medium straw in colour with green tinges, suggesting freshness and youth, but also richness of flavour. On the nose are aromas of pineapple, paw paw and passionfruit - a veritable fruit salad. The palate is equally reminiscent of a range of tropical fruits with a zesty, sherbet-like acidity and a clean citrus finish. Unoaked, the wine is crisp and refreshing.

FOOD RECOMMENDATIONS

Great in its own right as an aperitif but also an excellent match with a wide range of foods including barbequed seafood and vegetarian dishes. Serve well chilled at 8°C – 10°C.
